

KAUAI TMK MAP

A TMK Map (Tax Map Key) divides the state of Hawaii into sections. The map is used by various agencies to distinguish individual distinct locations of all the land parcels on Kauai. The first number (4) in the TMK for Hawaii Designates Kauai. The second number shows the Zone (shown here in grey boxes). The third number relates to a Section in the Zone. The fourth and fifth numbers (not shown here) refer to the Plat and Parcel giving the exact location of individual properties. A detailed TMK Map for a given Section may be obtained at the County Planning Office.
